**Subject:** STEWARDS DECISION NO. 7 **Document No:** 2.8

**To:** The Competitor PEDRO of car No. 41  
 Crew PEDRO / EMANUELE BALDACCINI

The Stewards, having received a report from the Clerk of the Course with documentary evidence attached, summoned the above crew members as well as a competitor’s representative, have considered the following matter and determine the following:

- Facts** Failure by the crew addressed above to activate the OK display on the FIA Safety tracking device within one minute after stopping on special stage 9 on Saturday, October 10, 2020 at 11.00 hrs.
- Offence** Breach of Art. 53.3.3 of the 2020 FIA WRC Sporting Regulations
- Decision** No further action
- Reason** The crew was informed accordingly by the Stewards and was given the possibility, if they wished, to bring forward any representations other than having forgotten to activate the OK display within one minute in the heat of the moment. The team representative KRZYSZTOF STOLARCZYK presented a written statement from co-driver, EMANUELE BALDACCINI, as both crew members were taken to hospital for precautionary checks. The co-driver wrote that immediately following the accident both crew members were in shock and confused. Marshals on the scene assisted both and in the confusion on checking the health of each other it was over 1 minute before they went back to the car to confirm OK. The Stewards accept that given the statement of the crew no further action be taken.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter IV of the FIA Judicial and Disciplinary Rules.
