Subject: STEWARDS DECISION NO. 9 **Document No:** 2.10

To: The Competitor FRANCESCO MARRONE of car No. 60
 Crew FRANCESCO MARRONE / FRANCESCO FRESU

The Stewards, having received a report from the Deputy FIA Technical Delegate with documentary evidence attached, summoned the above crew members as well as a competitor's representative, have considered the following matter and determine the following:

- Facts** Fitment of a non-homologated front bumper on car 60 between TC6C and TC6D.
- Offence** Breach of Art.10.3.3 of the 2020 FIA ISC Sporting Regulations and FIA WRC Sporting Regulations 32.2.1
- Decision** Having considered that the car does not comply with homologation 5743 a **time penalty of 5 minutes** to be applied at TC12B. The homologated front bumper must be in place on the car before leaving TC12E on Sunday, 11th October 2020.
- Reason** The car was presented at pre-event scrutineering complying with the vehicle homologation. The car must continue to comply with that homologation throughout the competition. As the car has not run in its homologated state in Sections 4, 5 & 6 the time penalty is applied.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter IV of the FIA Judicial and Disciplinary Rules.
