Car #11 T. Neuville - N. Gilsoul (Hyundai i20 Coupe WRC): "Obviously carrying a second spare wheel is not an advantage now, but hopefully on the total of the loop if the temperature increases my tyres should be better and I hope to get an advantage. We will have to see at the end of the loop".

Car #3 T. Suninen - J. Lehtinen (Ford Fiesta WRC): "I did my best. There are 2-3s that I could drive better, but that is not enough".
